Hi Jason,

I hope you're doing well!

I wanted to follow up on my previous email about opportunities with Brainz Magazine. I came across your profile and felt your work aligns well with our mission and audience.

We're currently inviting impactful entrepreneurs to join our community, either as guest writers for free publicity or as regular contributors. We've featured names like Jay Shetty, Gary Vee, and Marisa Peer.

I'd be happy to continue the conversation with you, if any of this is something you would be interested in being considered for?

**Best regards,  
Bettina | Brainz Magazine**
